30TH JUNE, 2024

NUC EXCITES MIU WITH ACCREDITATION APPROVAL

National Universities Commission (NUC) has recently granted full accreditation status to four of the five academic programmes of the Faculty of Management and Social Sciences, with one academic programme getting interim approval. The approval was conveyed by the Report on Accreditation Academic Programmes in Nigerian Universities communicated to the University by the supervisory agency in a letter no. NUC/ES/412/VOL.14/361 dated 6th June, 2024.

The Academic programmes with full accreditation were the Departments of Accounting 84.2%, Finance 83%, Entrepreneurship 83.3% and Economics 92.6 % , while the Department of Public Administration had 73.3% getting interim

approval. The Public Administration score and interim status was due to getting 39.0 % in Library. The Commission drew the attention of the University Management that academic programmes that obtained full accreditation status will be eligible for another accreditation exercise after five years, with interim status the programme will be eligible for accreditation after two years.

The National Universities Commission undertook the accreditation exercise from October to November 2023 after issuing the University with provisional license in 2021. This is the first accreditation exercise and the University garnered 80% which is highly commendable and kudos to the current Management and the University Proprietors.

Universities that are denied accreditation status will face immediate ban on students admission into such programmes, certificates

issued to students admitted into the ban programmes will not be recognised and will be denied call-up into National Youth Service Corps scheme.

**Mewar International
University Hosts First
Nigeria Computer Society
Induction and EXCO
Inauguration ...inducts
over 250 students of MIUN**

BY MR.ERU NATHIEL

Mewar International University Nigeria (MIUN), an Indian university located in Masaka, a suburb of the Federal Capital Territory, Abuja, Nigeria, recently hosted the inaugural induction of the Nigeria Computer Society (NCS).

The ceremony which was the first of its kind in the country saw 252 students from the Faculty of Computing inducted, and the new EXCO, led by

Comrade Olatunji Samuel Oluwapelumi, formally inaugurated.

The event commenced with the Nigerian National Anthem and the NCS Anthem, followed by the introduction of dignitaries. The Coordinator of Mewar NCS Students, Prince Eru Akwuma Nathaniel delivered the welcome remarks, setting a positive tone for the proceedings. Prince Eru also stressed the need for all undergraduate students in Nigerian universities to identify with their various/relevant professional bodies to learn the professional ethics of their diverse professions, in order to drastically reduce quackery in practice after graduation.

The Acting Dean of the Faculty of Computing, Mr. Celinus Kiyea, also delivered an inspiring speech, highlighting the achievements of the Faculty and the importance of the event. The Vice-Chancellor of MIUN, Prof. Muhammad Tanko, and the University Registrar, Alh. Mamoon Abubakar, ably represented by the Dean, Faculty of Management and Social Sciences, Prof. Kenneth Korve, addressed the attendees, emphasizing the significance of the collaboration between MIUN and NCS. Dr. Olabode Ogunbiade

corroborated his comments by encouraging students to learn professional practice even while studying, among other things.

The President of NCS, Assoc. Prof. Muhammad Sirajo Aliyu FNCS, officially opened the ceremony with a speech that underscored the importance of IT professionalism in today's world. This was followed by an induction lecture on "IT Professionalism: Navigating the Path to Success," delivered by the immediate past President of NCS, Prof. Adesina Sodiya FNCS.

The peak of the event was the induction of 252 student-members into the NCS body. Awards were also presented to VC and the Registrar, MIUN, among many other important personalities who have immensely contributed to the success of the induction. The MIUN's most academically outstanding student who is also the Publicity Secretary of the NCS MIUN Chapter, Comr. Jimoh Lukman, gave a heartfelt response on behalf of the inducted students and inaugurated EXCO. The inauguration of the NCS MIUN EXCO marked a significant milestone, with Comr. Olatunji Samuel Oluwapelumi taking the

helm and leading a team of the 10-member Committee.

The ceremony concluded with closing remarks by Prof. Oludele Awodele FNCS, Chairman of the NCS Credentials Committee. Also in attendance were; the Director-General/Chief Executive Officer of Nasarawa State Information Technology and Digital Economy Agency (NASITDEA) who doubles as the Interim Chairman, NCS Nasarawa State Chapter, Mr. Haruna Sani MNCS, the Chairman, NCS Innovative, Research and Development Committee, Dr. Olusoji Okunoye, and the head of NCS national secretariat/Executive Secretary, Mr. Adesegun Adekunle

Many Academic and Non-academic Staff of the University also graced the occasion, making the event a resounding success, marking a significant step forward for both MIUN and the Nigeria Computer Society in promoting IT professionalism in Nigeria. This was earlier expressed in an appreciation message to the NCS National Executive Council (NEC) and the University Management for approving the proposal, and all the Dignitaries for making the event colorful.

General information to students

This is to inform and advise all students that Second semester examination results has since been approved for release by the University Senate.

Students are therefore advice to access and see their examination results as the third summer semester has commenced as opportunities are open for those who may wish to register and remedy whatever deficiency they may have.
